Holder School
School Accountability Report Card
Reported Using Data from the 2019-2020 School Year
Published During 2020-2021

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at https://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) https://www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

School Description and Mission Statement (School Year 2020-2021)

Holder School is a Transitional Kindergarten through 6th grade school, as well as the Preschool SDC Program for the Savanna School District. Approximately 540 students attend Holder School and they represent a diverse population. Approximately 60% of the students are Hispanic, 10% Caucasian, 13% Asian, 7% Filipino, 5% African American, and 8% Multi-Ethnic (Non-Hispanic). Nearly 67% of the students participate in the Free/Reduced Lunch Program and approximately 25% of the students are English Language Learners. The staff is composed of 18 general education classroom teachers, a special education resource teacher, two full-time Special Day Class teacher for grades TK-3 (Mild/Moderate), three full-time preschool Special Day Class teachers (Two Mild/Moderate and one Autism Focus,) one full-time Special Day Class teacher for grades TK/K/1st (Autism Focus), one full-time Special Day Class teacher for grades 2nd/3rd (Autism Focus), two full-time speech therapists, a psychologist, psychologist intern, part-time MTSS Counselor, and part-time nurse. Support services at the school include clerical, custodial, maintenance, and special education classroom instructional assistants.

Going beyond the classroom, Holder offers a variety of programs to help students be successful. With the strong partnership of the City of Stanton and the North Orange County Task Force (NOC), Holder students and families have access to counseling, camps, housing assistance/resources, childcare assistance, and participation in the High School Bigs program, which provides mentors for students who need additional support. Additionally, Holder provides a Parenting Club class where parents have chances to bond together as well as learn about a variety of topics, including, but not limited to cyber-bullying, dealing with social media, etc. All Holder students participate in the Meet the Masters Art Program, which is one of the most comprehensive and fun art history, theory, and technique programs available. Our Watch D.O.G.S. (Dads of Great Students) Program enhances safety and promotes male participation and involvement at school. Male father figures have the opportunity to volunteer to assist in classrooms and around the campus. To challenge the high-achieving fourth through sixth grade students at Holder School there is a G.A.T.E. program (Gifted and Talented Education) as well as an opportunity to participate in the Music Masters Strings Program. Community partnerships with the Philharmonic Society, Boys and Girls Club, Cypress Community College, Disneyland, and the Tiger Woods Learning Center provide additional enrichment opportunities for Holder students.

Holder School's Mission Statement: It is the mission of Holder School, through a partnership with parents and community, to ensure every child masters their grade level standards-based curriculum in a nurturing and safe environment. At Holder School students are encouraged, supported, and guided to be successful life-long learners, prepared to accept responsibilities and challenges that may present themselves in the future. Our caring and supportive staff continue to maintain a safe and nurturing environment so that all students can be successful. Our PBIS Mantra includes being Honorable, Accountable, Welcoming, Kind, and Scholarly - this encapsulates what we expect from all of our Holder Hawks and staff!

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Quality, Currency, Availability of Textbooks and Other Instructional Materials (School Year 2020-2021)

Year and month in which data were collected: November 2020

The Savanna School District adopted the Benchmark Advance English Language Arts/English Language Development materials for the 2017-18 school year. It is in place in all K-6 classrooms. In 2016, we adopted the Houghton Mifflin, Go Math Series for K-6 students and it is in place in all classrooms. Both of these series are aligned to the Common Core State Standards. We adopted the Science (Harcourt School Publishers) and Social Science (Harcourt School Publishers) materials in 2007. We expect to pilot new Science and Social Science materials as they become available. Health and Visual and Performing Arts are taught utilizing a variety of instructional tools and strategies.

School Facility Conditions and Planned Improvements

The staff of Holder strives to maintain a clean and safe learning environment for the students. Assessments of the school's aesthetic and safety conditions are made by the principal on a monthly basis, and thorough quarterly inspections are made by the District's Director of Maintenance, Operations, and Transportation. Custodians make routine, daily inspections of all exterior and interior areas of the school. As per SB550 all facilities are in good repair. Modernization projects were completed for the Holder campus during 2013-14 as a result of the passage of Measure G at the June 5, 2012 election. A new Outdoor Learning Center was constructed, becoming the 'heart' of the campus where student success is celebrated. The school playgrounds received 'extreme makeovers' with new age-appropriate equipment designed to promote physical fitness, large and small motor skills, balance, and upper-body strength for students. The poured-in-place rubber surfacing was designed to provide high levels of safety for students with minimal maintenance requirements. In addition, classrooms and office spaces were enhanced with new furniture, upgraded wall systems, energy efficient dual-paned windows, new energy efficient heating and air conditioning units, new plumbing, electrical, and upgraded roofing. Our heating and air conditioning units, lighting, security cameras, classroom projectors, and even irrigation systems are on energy management systems, controlled remotely to ensure that units do not run during times they are not needed. Preschool and before-and-after-school childcare programs were relocated to provide better access for parents during hours when the school office is not open. School security enhancements are multi-faceted and include perimeter fencing, security cameras throughout the campus, paging systems, emergency notification systems, enhanced fire alarm systems, and increased security lighting after school hours. The remodeled student restrooms are 'student friendly' with new plumbing and sewer lines, energy-efficient fixtures, and terrazzo flooring that will last at least another 50 years! Regular maintenance projects take place to maintain the district's high standards of quality facilities. In the fall of 2015, a Technology Learning Center with 30 computers, a teaching station and flat screen monitors was completed. In the summer of 2016, a second Technology Learning Center with an additional 32 computers with flat screen monitors was added, and in the summer of 2019 a third Technology Learning Center was added. A STEM Center with additional computers with flat screen monitors was added in 2017. In addition, there are six computers in every classroom and various classrooms throughout the site utilize iPads as part of the instructional program.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Mathematics (grades 3-8 and 11)	52	N/A	46	N/A	39	N/A

Note: Cells with N/A values do not require data.
Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.
Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.
Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement
The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-2021)

The School Site Council is a ten-person council of parents, teachers, classified staff and the principal who monitor the implementation of the Single Plan for Student Achievement and generally act as an advisory and decision-making body for the school's many programs. The PTA (Parent Teacher Association) is also an integral part of the school's support system. In typical years, Parents work as volunteers, help raise funds for various school activities and also act as a school-parent communication resource. All parents are kept informed of meetings and events with our automated phone messaging system, our District/School Website, the school marquee, and the hard copy fliers we send home. In a typical year, opportunities for parental involvement include, but are not limited to, Back to School Night, Awards Assemblies, Parent/Teacher Conferences, Classroom and field trip volunteers, Fall Festival, Watch Dog Program, Flag Ceremony Performances, Open House, etc. In addition, parents have the opportunity to utilize online registration. Please contact the school office at 714-236-3840 for additional information.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions
(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	1.0	0.2	1.6	1.2	3.5	3.5
Expulsions	0.0	0.0	0.0	0.0	0.1	0.1

Suspensions and Expulsions for School Year 2019-2020 Only
(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	.007	.007	
Expulsions	0	0	

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

School Safety Plan (School Year 2020-2021)

Holder School has a School Safety Plan, an Emergency Preparedness Plan, and a Crisis Intervention Plan. These three documents cover all aspects of campus safety. The plans are on file and available to all parents as well as the general public. All safety plans are reviewed and updated on an annual basis in a public meeting. The goal is to ensure a safe and non-violent school environment. Additional safety measures include:

- Monthly drills held for fire, earthquake, and/or secure campus scenarios.
- Staff members trained and assigned specific responsibilities for emergency operations.
- CPR/First Aid/AED training opportunities available.
- Emergency supplies and food and water located in classrooms and at strategic locations throughout the school.
- Perimeter fencing.
- Identification and tracking procedure for visitors who may only enter the campus through the school office.
- School-wide paging systems.
- School buses have on-board security cameras.

- State of the art bus pass system that tracks students entering and exiting the school buses via bus passes.

Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	3	3	6

Professional development has focused on the data analysis and differentiating instruction utilizing Common Core State Standards across the curriculum. Teachers and staff members have received training on the Common Core Standards and effective strategies to implement the standards including EDI, Differentiated Instruction, Intervention strategies, Thinking Maps, Interaction with Text, Write from the Beginning, implementation of Go Math materials, mathematical practices, STEM, the implementation of technology across the curriculum, iPad implementation, Project GLAD, the implementation of the Benchmark Advance ELA Series, the implementation of the iReady Program, and English Language Development standards and strategies. Teachers have also received training on the implementation of the Illuminate Data System and data analysis. In addition, teachers have had an opportunity to participate in a variety of curricular task forces including English Language Development/English Language Arts, STEM, Wellness and Math. Professional development was provided through a variety of delivery methods including full day and part day workshops, grade level collaboration, coaching and demonstration lessons. New teachers are supported through regularly scheduled meetings and professional development related to their needs. Due to Distance Learning for the start of the 2020-2021 school year, professional development was focused on LMS platforms of Seesaw and Google Classroom. Curricular professional development was geared towards online teaching to better support our teachers and staff with virtual teaching.
