Twila Reid School
School Accountability Report Card
Reported Using Data from the 2019-2020 School Year
Published During 2020-2021

</div>

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at https://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) https://www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

School Description and Mission Statement (School Year 2020-2021)

Twila Reid School is a Transitional kindergarten through 6th grade school. Twila Reid's population of 534 students represents a diverse population. Approximately 32% of students at Twila Reid are English Language Learners. The large majority of these students are Spanish speaking. About 77% of the school's students are on the free or reduced lunch program. Twila Reid is supported by school wide Title I funds. Students are involved in a variety of activities that support the acquisition of the common core standards. The staff is composed of 26 regular classroom teachers, a special education resource teacher, two Title 1 resource teachers, one speech therapist, a psychologist, and a district nurse that splits her time between 4 schools. In a typical year, our teachers would create a system of small group instruction tailored to meet the needs of our students, in addition to supporting students with daily leveled, reading support. This year while student are participating in school through a distance learning format or a hybrid schedule, teachers are still differentiating to meet their students needs in scheduled leveled instruction groups. Each grade level works as a collaborative team with the Resource Specialist and a Title 1 teacher to provide leveled instruction for each student.

Going beyond the classroom, Twila Reid offers a variety of programs to help students achieve success. Even in this year of distance learning, each week, the "We Got Your Back" program supports Twila Reid's most needy students by providing a backpack full of food to share with their families. With the continued strong partnership with the Anaheim Police Department to ensure we have updated and efficient safety processes and procedures. Savanna School District has also partnered with local universities to provide social emotional support, speech and language support, and additional summertime enrichment for students. In typical years, Twila Reid has supported students and parents with resources such as counseling, parenting classes, family camp, school shopping, art classes, and housing support. Savanna School District also offers students enrichment and additional practice of skills in frequent Saturday Academies throughout the year. Through the support of North Orange County Task Force (NOC) the High School "Bigs" program provides mentors for students who need additional support in a virtual meetings. Twila Reid families also have the opportunity to participate in a variety of community programs to help support them in this difficult year: Boys and Girls Club, YMCA Achieves, and Catalyst Kids. In cooperation with our surrounding community, we will also continue our strong, positive relationships with the Tiger Woods Learning Center through a virtual program this year. In typical years, Savanna School District also provides augments the academic program provided by giving opportunities in the arts. Students in grades 4- 6 have access to Music Masters as well as providing the Meet the Masters program for all students.

It is the mission of Twila Reid School, through a partnership with parents and the community, to ensure every child masters their grade level standards-based curriculum in a nurturing and safe environment. Here at Twila Reid School, students are encouraged to be successful, life-long learners, prepared to accept responsibilities and challenges that may present themselves in the future. The caring and supportive staff continues to maintain a safe and nurturing environment so that all students can be successful. All staff members at Twila Reid will continue the implementation of the Positive Behavior Interventions and Supports (PBIS) approach to student discipline. Our goal is to reinforce positive behavior and prevent discipline problems. Students are encouraged to display Twila Reid "R.O.C.K." behavior- and that students can be "R"esponsible, "O"wn their Actions, be "C"aring, and "K"ind at all times. In addition to this positive behavior system that is taught to all students, we also have a Title 1 teacher devoted to Social Emotional Learning on campus. We provide instruction proactively to help students work together cooperatively as a community.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Quality, Currency, Availability of Textbooks and Other Instructional Materials (School Year 2020-2021)

Year and month in which data were collected: November 2020

The Savanna School District adopted the Benchmark Advance English Language Arts/English Language Development materials for the 2017-18 school year. It is in place in all K-6 classrooms. In 2016, we adopted the Houghton Mifflin, Go Math Series for K-6 students and it is in place in all classrooms. Both of these series are aligned to the Common Core State Standards. We adopted the Science (Harcourt School Publishers) and Social Science (Harcourt School Publishers) materials in 2007. We expect to pilot new Science and Social Science materials as they become available. Health and Visual and Performing Arts are taught utilizing a variety of instructional tools and strategies.

School Facility Conditions and Planned Improvements

The staff of Reid strives to maintain a clean and safe learning environment for the students. Assessments of the school's aesthetic and safety conditions are made by the principal on a monthly basis, and thorough quarterly inspections are made by the District's Director of Maintenance, Operations, and Transportation. Custodians make routine, daily inspections of all exterior and interior areas of the school. As per SB550 all facilities are in good repair. Over the past few years, modernization projects have been completed at the Reid campus as a result of the passage of Measure N at the November 4, 2008 election and Measure G at the June 5, 2012 election. A new Outdoor Learning Center was constructed, becoming the 'heart' of the campus where student success is celebrated. The school playgrounds received 'extreme makeovers' with new age-appropriate equipment designed to promote physical fitness, large and small motor skills, balance, and upper-body strength for students. The poured-in-place rubber surfacing was designed to provide high levels of safety for students with minimal maintenance requirements. In addition, classrooms and office spaces were enhanced with new furniture, upgraded wall systems, energy efficient dual-paned windows, new energy efficient heating and air conditioning units, new plumbing, electrical, and upgraded roofing. Our heating and air conditioning units, lighting, security cameras, classroom projectors, and even irrigation systems are on energy management systems, controlled remotely to ensure that units do not run during times they are not needed. Preschool and before-and-after-school childcare programs were relocated to provide better access for parents during hours when the school office is not open. School security enhancements are multi-faceted and include perimeter fencing, security cameras throughout the campus, paging systems, emergency notification systems, enhanced fire alarm systems, and increased security lighting after school hours. The remodeled student restrooms are 'student friendly' with new plumbing and sewer lines, energy-efficient fixtures, and terrazzo flooring that will last at least another 50 years! Regular maintenance projects take place to maintain the district's high standards of quality facilities. In the fall of 2015, a Technology Learning Center with 32 computers, a teaching station and flat screen monitors was completed. In the summer of 2016, an additional Technology Learning Center with an additional 32 computers with flat screen monitors was added, and in the summer of 2019 a third Technology Learning Center was added. A STEM Center was added in the summer of 2018 with additional flat screen monitors, White board walls, and computers added. In addition, there are six computers in every classroom and various classrooms throughout the site utilize iPads as part of the instructional program.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and

- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

• Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-2021)

When parents are partners in their children's education, the results are improved student achievement, better school attendance, reduced dropout rates and decreased delinquency. Years of research have shown that parents who are actively involved with their child's education have children who do well in school. Parents and families can make a big difference in the education of young people. The plan to accomplish this at Twila Reid Elementary School is the School-Parent Compact. When parents, students, and school personnel work together, student achievement is gained. Twila Reid partners with the community and parents to provide a rich, safe learning environment.

Parents can become involved in several ways. The School Site Council is a council of parents, teachers, classified staff and the principal who monitor the implementation of the Single Plan for Student Achievement and generally act as an advisory and decision-making body for the school's many programs. The English Language Advisory Committee gives input about the needs of our English language learners and is composed of parents, teachers, and the principal.

The PTA (Parent Teacher Association) is also an integral part of the school's support services through its work as parent volunteers, as program fund-raisers, and as a school-parent communication resource. In typical years, the PTA also provides community involvement opportunities for our community after school hours like our family movie nights, book fairs, book bingo nights and other fun events.

In typical years, parents are welcomed on campus as classroom volunteers, and to school events such as award ceremonies, Read Across America, classroom celebrations, etc. All parents are kept informed of meetings and events with our Blackboard system, and our District Website. The website lists the following ways parents can be involved: attend parent/teacher conferences, read a story to a small group, help in the library, attend PTA meetings and help at activities, help with Book Fairs, put up a bulletin board, chaperone a field trip, support PTA fund-raisers, make copies for teachers, share your job/profession, video student performances, help with school programs, attend parent education classes, help in the classroom, attend advisory committee meetings, participate on school-level advisory committees. This year we have changed our usual events and opportunities based on health and safety guidelines given by the California Department of Public Health recommendations to help stop the spread of COVID-19.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions
(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	3.6	2.3	1.6	1.2	3.5	3.5
Expulsions	0.0	0.0	0.0	0.0	0.1	0.1

Suspensions and Expulsions for School Year 2019-2020 Only
(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	.006	.007	
Expulsions	0	0	

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

School Safety Plan (School Year 2020-2021)

Reid School has a School Safety Plan which encompasses an Emergency Preparedness Plan, and a district Crisis Intervention Plan. These three documents cover all aspects of campus safety. The plans are on file and available to all parents as well as the general public. All safety plans are reviewed and updated on an annual basis in a public meeting. The goal is to ensure a safe and non-violent school environment. Additional safety measures include:

- Monthly drills held for fire, earthquake, and/or secure campus scenarios.
- Staff members trained and assigned specific responsibilities for emergency operations.
- Emergency supplies and food and water located in classrooms and at strategic locations throughout the school.
- Perimeter fencing and security cameras.
- Identification and tracking procedure for visitors who may only enter the campus through the school office.
- School-wide paging systems.
- School buses have on-board security cameras.
- State of the art bus pass system that tracks students entering and exiting the school buses via bus passes.

Professional development has focused on the data analysis and differentiating instruction utilizing Common Core State Standards across the curriculum. Teachers and staff members have received training on the Common Core Standards and effective strategies to implement the standards including EDI, Differentiated Instruction, Intervention strategies, Thinking Maps, Interaction with Text, Write from the Beginning, implementation of Go Math materials, mathematical practices, STEM, the implementation of technology across the curriculum, iPad implementation, Project GLAD, the implementation of the Benchmark Advance ELA Series, the implementation of the iReady Program, and English Language Development standards and strategies. Teachers have also received training on the implementation of the Illuminate Data System and data analysis. In addition, teachers have had an opportunity to participate in a variety of curricular task forces including English Language Development/English Language Arts, STEM, Wellness and Math. Professional development was provided through a variety of delivery methods including full day and part day workshops, grade level collaboration, coaching and demonstration lessons. New teachers are supported through regularly scheduled meetings and professional development related to their needs. Due to Distance Learning for the start of the 2020-2021 school year, professional development was focused on LMS platforms of Seesaw and Google Classroom. Curricular professional development was geared towards online teaching to better support our teachers and staff with virtual teaching.
