School Accountability Report Card

Reported Using Data from the 2018-19 School Year

Published During 2019-20

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2019-20)

Cerritos School is a transitional kindergarten through 6th grade school. With a population of approximately 430 students, Cerritos School represents a diverse population. Approximately 23% of students at Cerritos are English Language Learners. Nearly 58% of the school's students are on the free or reduced lunch program. Students are involved in a variety of activities that support the acquisition of the common core standards. The staff is composed of 18 regular classroom teachers, 2 full-time Special Day Class teachers, a special education resource teacher, speech therapist, psychologist, psychologist intern, part-time MTSS counselor and part-time nurse. Support services at the school include clerical, custodial, maintenance, and special education classroom instructional assistants.

Going beyond the classroom, Cerritos offers a variety of programs to help students achieve success. All students participate in the Meet the Masters Art Program, a comprehensive art history, theory, and technique programs that provides art education for teachers and students alike. Students in 6th grade, have the opportunity to participate in the Jr. Cadet Program, sponsored by the Anaheim Police Department. This program provides students with leadership and team building activities, homework assistance, physical fitness training, drug awareness, and gang awareness courses. Savanna School District also offers students enrichment and additional practice of skills in frequent Saturday Academies throughout the year. Through the support of North Orange County Task Force (NOC) the High School "Bigs" program provides mentors for students who need additional support. The High School Bigs program is a great opportunity for Cerritos students to be mentored by carefully selected high school students who are positive role models. Our Watch D.O.G.S. (Dad's of Great Students) program enhances safety and promotes male involvement at school. Fathers, grandfathers, step-fathers, and other father figures have the opportunity to volunteer in classroom and school activities throughout the year. Our sixth graders continue to participate in the Cypress Police Department's Positive Action through Character Education Program also known as P.A.C.E. The P.A.C.E. program is designed to enhance awareness, influence choices, and educate students in the areas of Internet safety, social media, peer pressure, bullying, violence, and drug abuse. To challenge the high-achieving fourth through sixth grade students at Cerritos School there is a G.A.T.E. program (Gifted and Talented Education) as well as an opportunity to participate in the Strings Meets the Musicians Program. In cooperation with our surrounding community, partnerships with the Philharmonic Society and the Tiger Woods Learning Center provide additional enrichment opportunities for our students. With the continued strong partnership with the Anaheim Police Department to ensure we have updated and efficient safety processes and procedures.

It is the mission of Cerritos School, through a partnership with parents and the community, to ensure every child masters their grade level standards-based curriculum in a nurturing and safe environment. Here at Cerritos School, students are encouraged to be successful, life-long learners, prepared to accept responsibilities and challenges that may present themselves in the future. Cerritos School is a community of caring people whose goal is to create a safe and nurturing environment where students feel included, respected and valued. Our dedicated staff is committed to upholding these expectations by being proactive in addressing student needs and concerns. Cerritos School has adopted the Positive Behavior Interventions and Supports (PBIS) approach to student discipline. Our primary goal is to reinforce positive behavior and prevent discipline problems. To do this we will teach, model and expect students to R.O.A.R. – To be Respectful, be Organized, be Accountable, and be Resilient.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)

Year and month in which data were collected: November 2019

The Savanna School District adopted the Benchmark Advance English Language Arts/English Language Development materials for the 2017-18 school year. It is in place in all K-6 classrooms. In 2016, we adopted the Houghton Mifflin, Go Math Series for K-6 students and it is in place in all classrooms. Both of these series are aligned to the Common Core State Standards. We adopted the Science (Harcourt School Publishers) and Social Science (Harcourt School Publishers) materials in 2007. We expect to pilot new Science and Social Science materials as they become available. Health and Visual and Performing Arts are taught utilizing a variety of instructional tools and strategies.

School Facility Conditions and Planned Improvements (Most Recent Year)

The staff of Cerritos strives to maintain a clean and safe learning environment for the students. Assessments of the school's aesthetic and safety conditions are made by the principal on a monthly basis, and thorough quarterly inspections are made by the District's Director of Maintenance, Operations, and Transportation. Custodians make routine, daily inspections of all exterior and interior areas of the school. As per SB550 all facilities are in good repair. Modernization projects were completed on the Cerritos campus during the past several years as a result of the passage of Measure N at the November 4, 2008 and Measure G at the June 5, 2012 election. Classrooms and office spaces were enhanced with new furniture, upgraded wall systems, energy efficient dual-paned windows, new energy efficient heating and air conditioning units, new plumbing, electrical, and upgraded roofing. Cerritos School's heating and air conditioning units, lighting, security cameras, classroom projectors, and even irrigation systems are on energy management systems, controlled remotely to ensure that units do not run during times they are not needed. Preschool and before-and-after-school childcare programs were relocated to provide better access for parents during hours when the school office is not open. School security enhancements are multi-faceted and include perimeter fencing, security cameras throughout the campus, paging systems, emergency notification systems, enhanced fire alarm systems, and increased security lighting after school hours. The school grounds were expanded in the fall of 2017. An upper grade playground and an Outdoor Learning Center was added in the summer of 2019. The remodeled student restrooms are 'student friendly' with new plumbing and sewer lines, energy-efficient fixtures, and terrazzo flooring that will last at least another 50 years! The primary playground received poured-in-place rubber surfacing that was designed to provide high levels of safety for students with minimal maintenance requirements. The entire campus was repainted in 2018 and regular maintenance projects take place to maintain the district's high standards of quality facilities. In the fall of 2015, a Technology Learning Center with 32 computers, a teaching station and flat screen monitors was completed. In the summer of 2016, a second Technology Learning Center with an additional 32 computers with flat screen monitors was added, and a third TLC added in the summer of 2019. A STEM Center with additional computers with flat screen monitors was added in 2017. In addition, there are six computers in every classroom and every classroom throughout the site utilizes iPads as part of the instructional program.

School Facility Good Repair Status (Most Recent Year)

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Grades Three through Eight and Grade Eleven

Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19

Mathematics (grades 3-8 and 11)	46	43	43	46	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

Opportunities for Parental Involvement (School Year 2019-20)

Opportunities for parental involvement include, but are not limited to, Back to School Night, Awards Assemblies, Parent/Teacher Conferences, Spring Carnival, Open House, School Site Council, PTA, and the Watch D.O.G.S. Program. The School Site Council is a ten-person council of parents, teachers, classified staff and the principal who monitor the implementation of the School Plan for Student Achievement and generally act as an advisory and decision-making body for the school's many programs. Parents are encouraged to participate in the English Language Advisory Committee and District Advisory Committee to provide input and guidance to the school and district. The PTA (Parent Teacher Association) is also an integral part of the school's support services through its work as parent volunteers, as program fund-raisers, and as a school-parent communication resource. The Watch D.O.G.S. (Dad's of Great Students) program enhances safety and promotes male involvement at school. Dads, grandpas, and uncles are encouraged to spend a day with their child at school. All parents are kept informed of meetings and events with our BlackBoard Messaging system, School Marquee, School and District Website, and the hard copy fliers we send home.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

School Safety Plan (School Year 2019-20)

Cerritos School has a School Safety Plan, an Emergency Preparedness Plan, and a Crisis Intervention Plan. These three documents cover all aspects of campus safety. The plans are on file and available to all parents as well as the general public. All safety plans are reviewed and updated on an annual basis in a public meeting. The goal is to ensure a safe and non-violent school environment. Additional safety measures include:

- Monthly drills held for fire, earthquake, and/or secure campus scenarios.
- Staff members trained and assigned specific responsibilities for emergency operations.
- CPR/First Aid/AED training opportunities available for staff.
- Emergency supplies and food and water located in classrooms and at strategic locations throughout the school.
- Perimeter fencing and security cameras.
- Identification and tracking procedure for visitors who may only enter the campus through the school office.
- School-wide paging systems and radios in every classroom.
- School buses have on-board security cameras.
- State of the art bus pass system that tracks students entering and exiting the school buses via bus passes.

The California Department of Education issued guidance to LEAs on August 1, 2018, regarding how to calculate school-level per-pupil expenditures that will be reported on 2018-19 report cards.

Types of Services Funded (Fiscal Year 2018-19)

The general fund income for the Savanna School District includes revenues from local, state, and federal sources. This money is used to pay for teacher and support personnel salaries, health and welfare benefits for employees, instructional supplies, utilities, staff development, and equipment needs in the district. Cerritos School also receives funding designated for limited English proficient students.

Professional Development (Most Recent Three Years)

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement	3	3	3

Professional development has focused on the data analysis and differentiating instruction utilizing Common Core State Standards across the curriculum. Teachers and staff members have received training on the Common Core Standards and effective strategies to implement the standards including EDI, Differentiated Instruction, Intervention strategies, Thinking Maps, Interaction with Text, Write from the Beginning, implementation of Go Math materials, mathematical practices, STEM, the implementation of technology across the curriculum, iPad implementation, Project GLAD, the implementation of the Benchmark Advance ELA Series, the implementation of the iReady Program, and English Language Development standards and strategies. Teachers have also received training on the implementation of the Illuminate Data System and data analysis. In addition, teachers have had an opportunity to participate in a variety of curricular task forces including English Language Development/English Language Arts, STEM, Wellness and Math. Professional development was provided through a variety of delivery methods including full day and part day workshops, grade level collaboration, coaching and demonstration lessons. New teachers are supported through regularly scheduled meetings and professional development related to their needs.
